City and Marinas to join forces to expand Lake Travis cleanup efforts:

Lakeway Shoreline Cleanup !
September 11th & 12th
Volunteers Needed

The City of Lakeway in partnership with Lakeway Marina, Hurst Harbor Marina, and Sail and Ski Yacht Club, will sponsor a Lakeway volunteer shoreline cleanup of debris exposed by the low water levels. The event will take place September 11th and 12th, beginning each morning at 8:30am at specified meeting points on the waterfront, wrapping up each day at noon.

Volunteers will work in teams across the three-mile shoreline of Lakeway to collect trash and debris. Work barges and pontoon boats provided by the three marinas will come by water to collect the garbage and deliver it to the dumpster site, where volunteers will make certain that tires and hazardous waste are separated from the trash for proper disposal by Travis County.

The City of Lakeway will notify lakefront property owners of the campaign in conjunction with this news flash. Volunteers can sign up for the Lakeway Shoreline Cleanup at the website of Keep Austin Beautiful:

<http://keepaustinbeautiful.org/volunteer>. To clean the three miles of Lakeway shoreline, an estimated 100 volunteers will be needed each day. Steve Jones, Lakeway City Manager, and Andra Streety, Lakeway Parks and Recreation Director, are very excited to bring the Shoreline Cleanup to Lakeway. "We

at the City want to turn this drought into a positive by leveraging the pride our citizens have in this community to make the waterline pristine. We appreciate the partnership of the marinas, the waste disposal company IESI, and the four partners in the 15th Annual Lake Travis Cleanup (LCRA, Travis County, Keep Austin Beautiful, and the Colorado River Foundation) who have permitted us to utilize their resources." "This is a once in a century opportunity to remove the detritus accumulated over the last 50 years! Thankfully, the citizens around Lake Travis today have a deep understanding of the importance of a clean lake to Austin's economy and the health of our population," says Janet Caylor, owner of Lakeway Marina.

Volunteers for the Lakeway Shoreline Cleanup can direct their questions to volunteer chairman Captain Chris James of the Lakeway Marina charter boat Legacy. Captain Chris can be contacted at docksidecj@hotmail.com.

TALK TO YOUR NEIGHBORS ABOUT THIS CLEANUP AND TEAM UP! Tires, batteries, dock parts and beer cans **DON'T BELONG IN OUR LAKE!** Collectively, we can complete the biggest cleanup **EVER** of our beloved community on Lake Travis.

With the ongoing drought, we will move docks as needed. I will no longer be able to call everyone about the dock moves. During the move the power will be disconnected for a period of time. Please do not leave any food items that could spoil on your boat. If you need your lift raised, please notify the ships store. Thank you for all your continued support and cooperation. Pray for rain.

Jodi Looper
General Manager

Attention Boat Owners!!

We have had some suspicious activity happening at the marina. We strongly advise that you take your valuable items home with you when you're finished boating.

Thank You, Marina Management
