From the General Manager's Desk

Happy New Year to you and your Family!! We are looking forward to a F-A-N-T-A-S-T-I-C 2010.

The Austin Boat Show will be in town on January 14th - 17th. During the drought of 2009

both Lakeway and Riviera Marina's retrieved two vintage boats from the bottom of Lake Travis. At the Boat Show, we will have a refurbished 1950's model Commando that was found at Riviera Marina, our sister property.

On that same day, Lakeway Marina found a 1950's model ARA President underneath the Ships Store.

We will have pictures of the ARA boat and the actual Commando will be at our booth. We would enjoy seeing you at the Boat Show, booths 830 and 832.

Thank you,
Jodi Looper
General Manager

June 1988

Congratulations to Steve Allen who received the Employee Appreciation Award for June. Steve has been with the Lakeway Company and a member of the Marina staff since April 1987. He has a variety of responsibilities at the Marina including supervising the ski boat operation.

Comments received on the six nominations submitted pointed out that Steve is dependable, hardworking, fair and a pleasure to work with. "We're very happy and lucky to have Steve as a member of our staff," says Manager Rick Rodeman.

The presentation was made at the Marina by Chuck Hansen with all the Marina employees present.

CONGRATULATIONS STEVE!
