

Lake Travis has water! Brad Paisley's 2010 Tour is called H2O. His hot new single is called "Water". So we have WATER! Water, water everywhere for the biggest water event anywhere this summer. Are you ready?

Here's a list of helpful hints to ensure an enjoyable Aquapalooza weekend:

- Remember there is no land access to the event. Your boat is your ticket.
- You may raft your boat on the mooring grid as early as Friday, July 9th. Boats will be anchored on a first come first serve basis. I encourage you not to wait until Saturday to moor your boat. It will also be an event in itself to stay on your boat Saturday night and watch Brad Paisley's stage be disassembled.
- Be sure to schedule any mechanical and safety inspections in advance with our Service Department at (512) 261-7542.
- Be sure to fuel in advance as the fuel docks will be extremely busy.
- Be sure to bring personal flotation devices, fenders, and plenty of line. Our ships store will be fully stocked with these supplies.
- Remember safety first (nobody's waterproof) and designate a Boat Captain.
- Have fun and be courteous to your neighbors. This is a family event.

Purchase your Aquapalooza gear during the month of June and you'll be entered in a drawing for a \$100.00 credit on your account!

***Must store your boat at Lakeway Marina to be entered in the drawing**

Congratulations

Winner of last month's hidden picture is

Ernest Garcia

ANSWER:

The hidden flag is located in boat that is pulling the skier (in the General Manager's section).

Get your Aquapalooza Gear NOW!!

These shirts can only be purchased at select locations. We have them in stock at the marina so come get yours today.

Don't miss out on gear for the biggest party of the year...

A Note from the General Manager

2010 is off to a fantastic start! Thanks to each of you for your continued support and business. The message for the season is for boat owners to enjoy the boating lifestyle more. That being said, we are coming upon the biggest party Lake Travis has ever seen. You will definitely want to be well prepared if you plan on attending Aquapalooza. Above are several tips for the weekend. They are expecting somewhere around 4,000 boats and 35,000 people so please understand that any advance planning will be much needed. We are working on additional parking with a shuttle service to and from the marina. We will keep you posted with any further details. If you have any questions at all, please do not hesitate to contact me via email jodilwmarina@austin.rr.com or (512) 261-7511. Support Lakeway Marina by purchasing your Aquapalooza shirts, etc. from our Ships Store. Thank you for everything. Happy Father's Day. -Jodi Looper, General Manager
